## Tourism, Recreation & Adventure Leadership (TRAL) Major with Sustainable Tourism Management Option

The tourism and outdoor recreation industries are growing. TRAL graduates are leaders, educators, and entrepreneurs in our most important natural spaces. Learn to work with communities, non-governmental organizations, and governments around the world to plan and manage nature-based

tourism opportunities. Sustainability is an important part of the curriculum. Students will also learn how recreation and our natural lands work together and what the benefits, tradeoffs, and challenges are for tourism. Careers in advisory, policy or management roles in the public or private sectors.

### Your Bachelor's Degree (BS) in TRAL

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 credits earned at a community college may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 are accepted.
- TRAL students must complete 6 months of work experience related to their degree.
