Tourism, Recreation & Adventure Leadership (TRAL) Major with Nature, Eco & Adventure Tourism Option

The tourism and outdoor recreation industries are growing. TRAL graduates are leaders, educators, and entrepreneurs in our most important natural spaces. Learn how to use business and natural resources skills to operate tourism companies specializing in creating outdoor experiences for

members of the public. Students must become knowledgeable about the areas they plan to work in, so classes and labs take place outside on rivers, trails, and in the mountains.

Your Bachelor's Degree (BS) in TRAL

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 credits earned at a community college may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 are accepted.
- TRAL students must complete an approved internship.
